

FREEDOM OF EXPRESSION

Policy 3.44A

I. Purpose of policy. The purpose of the policy is to promote the free exchange of ideas and the safe and efficient operation of the College by:

- Fostering free speech, assembly, and other expressive activities at publicly accessible outdoor areas of any College campus, regardless of the viewpoint being expressed;
- Maintaining an appropriate educational and work environment for all persons present on College property; and
- Protecting and maintaining the security of College property, students, employees, and visitors.

In developing and administering this policy, the College recognizes the freedoms guaranteed by the United States and Michigan constitutions, including freedom of speech and assembly. The College also recognizes the need to preserve and protect its property, students, guests, and employees, and to ensure the effective operation of educational, business, and related activities of the College.

Expressive activities on the College's campus may be subject to reasonable regulation with regard to the time, place, and manner of the activities. College employees will not consider the content or viewpoint of expressive activities when enforcing this policy, including by restricting students' expression based on concerns about other person(s)' negative reaction to the expression. No policy can address every possible activity or situation that may occur on College property, and the College reserves the right to address such situations as circumstances warrant.

Expressive activities carried out under this policy will not be considered to be speech made by, on behalf of, or endorsed by the College.

II. Scope. This policy applies on all of the College Campus.

III. Expressive Activity Defined. "Expressive Activity" is defined as the carrying or displaying of signs or placards, leafleting, campaigning, marches, rallies, parades, demonstrations, protests, assemblies, speeches, circulation of petitions, and/or any public demonstration on College grounds.

IV. Expressive Activity for Enrolled Students and Registered Student Groups

A. General Access: Registered students and student groups may use, without prior notification or permission, any publicly accessible outdoor area of the College campus except parking lots, and driveways. Federal, state, and local laws will be enforced, as applicable. The use of walkways or other common areas may not block the free passage of others nor impede the regular operation of the College.

Use of the publicly accessible outdoor area may include speaking, non-verbal expression, distributing literature, displaying signage, and circulating petitions. There is no limit to the number of times a month a person or group may access these areas, provided that access is limited to hours when the College is open to the public.

During work and class hours, or if the area is currently in use for an official College event, amplification will be restricted if it interferes with College operations or noise ordinances are violated.

B. Large groups: Except in the circumstances described below, any person or group whose use of an outdoor area for demonstration, protest or distribution of literature is expected or reasonably likely to have more than fifty (50) people in attendance shall notify the Vice President of Finance & Administration and the Vice President of Student Services, or their designee at least two (2) business days before the day of the activity. The notification shall be submitted at least two (2) business days before the day of activity. Notification shall include information as to the specific location requested to be used for the event and the estimated expected number of persons, and the name and contact information of at least one person who can be contacted regarding logistics of the event, which should include at least one person who will be personally present.

C. Reserved Space: In addition to the general right of access to outdoor areas of campus described above, any registered student or student organization may seek to reserve the use of specific indoor areas by contacting the President's Office. Requests by a registered student or student organization to reserve such area or space shall be made at least 5 business days before the event. A request will be granted unless it would conflict or interfere with a previously scheduled event or activity or violate College policy.

A student or student organization that has reserved a specific area or space under this policy will have priority over any other persons seeking to use the area or space during the scheduled time period. Any decision denying a request will be promptly communicated (within 48 hours of receiving the request) in writing to the requester and will set forth the basis for the denial.

The content of the anticipated speech or other expressive activity will not form the basis for a denial.

Members of the public who are not registered students or student organizations must receive a permit before engaging in Expressive Activity on any College campus.
