

PLACEMENT EVALUATION

Placement Evaluation (Policy 3.02)

College readiness and course placement will be determined through multiple measures including the College's placement test, ACT/SAT scores, high school GPA, specific high school course results, time out of high school, and student input. Additional valid instruments may be used for proper advising and course placement decisions. Glen Oaks Community College reserves the right to require special courses, when it is in the best interest of the student's academic success. An institutional course placement exam can help identify student strengths and weaknesses before beginning classes at the College.

PLACEMENT EVALUATION

A student is required to take the placement evaluation, unless:

1. The student has documented a bachelor's degree or higher from an accredited institution.

OR

2. The student is enrolling only in a course for which he or she has met the prerequisite by transferring math credit taken within five years from another college.
