

COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Degrees

- Associate of Applied Science in Computer Information Systems (<https://catalog.glenoaks.edu/programs/computer-science-information-technology/computer-information-systems-aas/>)
- Associate of Arts in Computer Science (<https://catalog.glenoaks.edu/programs/computer-science-information-technology/computer-science-aa/>)
- Associate of Arts in Cybersecurity (<https://catalog.glenoaks.edu/programs/computer-science-information-technology/cybersecurity-aa/>)
- Associate of Science in Computer Information Systems (<https://catalog.glenoaks.edu/programs/computer-science-information-technology/computer-information-systems-as/>)

Certificates

- Computer Support Technician Certificate (<https://catalog.glenoaks.edu/programs/computer-science-information-technology/computer-support-technician-certificate/>)
- Cybersecurity Certificate (<https://catalog.glenoaks.edu/programs/computer-science-information-technology/cybersecurity-certificate/>)
- Network Administration Technician Certificate (<https://catalog.glenoaks.edu/programs/computer-science-information-technology/network-administration-technician-certificate/>)

Certificates of Achievement

- Computer Support Technician Certificate of Achievement (<https://catalog.glenoaks.edu/programs/computer-science-information-technology/computer-support-technician-certificate-of-achievement/>)
- Cybersecurity Certificate of Achievement (<https://catalog.glenoaks.edu/programs/computer-science-information-technology/cybersecurity-certificate-of-achievement/>)
- Network Management Certificate of Achievement (<https://catalog.glenoaks.edu/programs/computer-science-information-technology/network-management-certificate-of-achievement/>)
