

GOCC AND MI WORKS

GOCC and MI Works! work together to prepare a skilled workforce

Today's jobs require higher skills and more knowledge. Businesses compete globally, and they demand smart talented workers to maintain growth and expansion. Glen Oaks educational training programs are playing a key role in providing the education and in ensuring workers have these skills. Michigan Works! offers many resources to help job seekers explore occupations and salaries, research education and training opportunities, and find employment.

In St. Joseph County, the Michigan Works! Service Center is located at 16587 Enterprise Drive, Three Rivers, Mich. Hours are Monday through Friday from 8 am to 5 pm Additional information and resources can be found at www.michiganworkssouthwest.org (<http://www.michiganworkssouthwest.org/>).
